Wherever You Are

5 sauce

Wherever you are
Wherever you are
I feel you everytime my heart beats
Our love grows stronger as the days go by
You don't have to say that you love me
We're good together cause we're two of a kind
And I
I need you to light up my life
I need you to keep me alive
Wherever you are
Whatever you do
Every breath that I take
I'll be thinking of me and you
Wherever you go
You know you're not alone
So hold on and be strong
Cause you know we're two hearts beating as one
So close there was nothing between us
With every beat I feel you more and more
I used to think paradise was beyond me
But you brought heaven right to my door And I
I need you to light up my life
I need you to keep me alive
Wherever you are
Whatever you do
Every breath that I take
I'll be thinking of me and you
Wherever you go
You know you're not alone
So hold on and be strong
Cause you know we're two hearts beating as one

This is where you belong
Because we're one in the same (you'll never be lonely)
You are the reason I live
The reason I'll never be lonely again
Wherever you are
Wherever you are
Wherever you are

You know you're not alone
You know you're not alone
Wherever you are
Whatever you do
Every breath that I take
I'll be thinking of me and you
Wherever you go
You know you're not alone
So hold on and be strong
Cause you know we're two hearts beating as one
Wherever you are
Whatever you do
Every breath that I take
I'll be thinking of me and you
Wherever you go
You know you're not alone
So hold on and be strong
Cause you know we're two hearts beating as one
You know I'm thinking of ya
I'm always thinking of ya
Every breath that I take
I'll be thinking of me and you
