

Rock Wit U (Awww Baby)

Ashanti

Aw baby (aw baby) Yeah, murda inc
I want to love you babe, want to love you babe, ooh baby
Ashanti, chapter two, let's rock it Can you rock with me (aw baby)
Non-stop with me can you take it to the top with me
I just want to love you babe (love ya babe)
Always thinking of you babe Can you roll with me (ooh baby) all over me
Can you take control of me
I just want to love you baby
Always thinking of you baby I think I like how your body feel next to me
Aw baby when you kissing me, aw baby when you loving me
I can't describe what I want to do to you tonight
Aw baby when you come to me, I'll make it so you'll never leave Can you rock with me (aw baby)
Non-stop with me (stop with me) can you take it to the top with me
I just want to love you babe (love ya babe)
Always thinking of you babe (wanna love you babe) Can you roll with me (ooh baby) all over me (over me)
Can you take control of me
I just want to love you baby (love you babe)
Always thinking of you baby See I don't know if I can handle you as just a friend
Aw baby I can't pretend, aw baby I'm so far in
But I don't mind as long as I could have you in my life
Aw baby I'm satisfied, even if you're not just mine Can you rock with me (aw baby) non-stop with me (oh, no)
Can you take it to the top with me
I just want to love you babe (I want to love ya babe)
Always thinking of you babe (thinking of you) Can you roll with me (ooh baby) all over me (over me)
Can you take control of me
I just want to love you baby (love you)
Always thinking of you baby Boy you make me not the same (Aw baby, aw baby, ooh baby, ooh baby)
Can you feel me when we say (Aw baby, aw baby, ooh baby, ooh baby) Can you rock with me (aw baby)
non-stop with me (I want to rock with you) can you take it to the top with me
I just want to love you babe (Oh)
Always thinking of you babe (yeah, yeah-yeah) Can you roll with me (ooh baby)
All over me (over me) can you take control of me
I just want to love you baby (yeah, yeah)
(Oh yeah) Always thinking of you baby (baby, baby) Can you rock with me (aw baby)
Non-stop with me (stop with me) can you take it to the top with me (no babe)
I just want to love you babe (I want to love you babe)
Always thinking of you babe (I'm thinking of you babe) Can you roll with me (ooh baby)
All over me (Oh) can you take control of me
I just want to love you baby (Ooh)

Always thinking of you baby (I want to love you babe) Oh, mm, love you babe mm, yeah-yeah, yeah-yeah, yeah
Oh mm, love you babe, mm, yeah-yeah, yeah-yeah, yeah
