

(Everytime I See) A Pretty Lady

Gemini

The ladies that I'm near
Always turn me around
Like a merry go round
I'm spell bound
By their soft and shinny Hair
Designer jeans they wear
[And the way that they move
Makes me lose my cool
This is a motion of kaleidoscope dreams
[Will I find one for me
In this popurri
Oooooooh ooooo oooo oooo
Every time I see a pretty lady
walk by me
I go crazy, lose my mind
Every time I see a pretty lady
Walk by me
I see them strolling by
I try to catch their eye
but it's always the same
They smile and turn away
If one would take the time
We could become aligned
In mysterious ways
I hope it's today
Ooooh
This is a motion of kaliediscope dreams
Will I find one for me
In this popurri
Every time I see a pretty lady
walk by me
I go crazy, lose my mind
Every time I see a pretty lady
Walk by me
Oooh
This is a motion of kaliediscope dreams
Will I find one for me
In this popurri
Oooohh oooo oooo

Every time I see a pretty lady
walk by me
I go crazy, lose my mind
Every time I see a pretty lady
Walk by me
Walk, walk
Every time I see a pretty lady
walk by me
ooo ooo
Walk, walk
Excuse me, say aahh excuse me
can I talk to you for a second
without you getting an attitude
or going off?
You know I don't do this very often
I'm basically just a shy guy
you know an ordinary fella
but just I saw you walking down the street
And I said to myself
Hey, I'd really like to get to know her
Cause you're beautiful
Your eyes, your hair, the way you walk
hmmm It's Alright by me
Hey, you know what
I'd just like to walk and talk with you
Just up the way
To the end of the corner baby
Hey I'm harmless, I really am
Listen I'm not a jive talking guy
You know that kind that probably hit on you every day
But dig
The chances of us being introduced
by someone we both know is slim to none
And slim went on vacation last week
Girl you just walked into my life out of nowhere
I'd be a fool to let you get away
without even asking you your name
What's your name
Ohh oooh oooh
Pretty lady
Everytime I see a pretty lady
walk by me
I go crazy, lose my mind
Every time I see a pretty lady
walk by me

I can't help but wonder, I can't help but wonder baby
Is she the one for me
Everytime I see a pretty lady
I wonder baby, will she walk by me
Oh I, I, I
I lose it baby, my cool
I lose my cool baby, when you walk by me
I've been looking, I've been searching
My wonderful baby
Everytime I see a pretty lady
I've been looking to you
Won't you walk by me
