The Way To My Heart

Mandy Moore

You're the one, you set me free
When you're close to me
All that I do is think about a way
To make you stay with me
Baby I'm falling apart 'cause you know the way to my heart
Oh baby I knew it
The moment you looked in my eyes
My life was in your hands
You changed me completely
Now you say you wanna let go off the love we had
I just don't wanna lose you again
Baby I want you to know, know that
You're the one, you set me free
When you're close to me
All that I do is think about a way
To make you stay with me
Baby I'm falling apart 'cause you know the way to my heart
Oh baby if only
You could see the way that I feel about you
'Cause I need you beside me
Is there anything I can say
Before you walk away?
I just don't want to lose you again
Baby I want you to know, know that
You're the one, you set me free
When you're close to me
All that I do is think about a way
To make you stay with me
Baby I'm falling apart 'cause you know the way to my heart
What am I gonna do? No I just cannot live
I can't breathe without you
I want you back in my life
And I wanna set things right
You know the way to my heart baby
You're the one, you set me free
When you're close to me
All that I do is think about a way
To make you stay with me
You know the way to my heart

You're the one, you set me free
When you're close to me
All that I do is think about a way
To make you stay with me
Baby I'm falling apart, you know the way to my heart
