## **Autumn In New York**

## Harry Connick, Jr.

Autumn in New York
Why does it seem so inviting
Autumn in New York

It spells the thrill of first-nightingGlittering crowds and shimmering clouds

In canyons of steel

They're making me feel, I'm homeIt's autumn in New York
That brings the promise of new love

Autumn in New York

Is often mingled with painDreamers with empty hands

May sigh for exotic lands

It's autumn in New York

It's good to live it againAutumn in New York

The gleaming rooftops at sundown

Oh, autumn in New York

It lifts you up when you run downYes, jaded rous and gay divorces

Who lunch at the Ritz

Will tell you that it's divineThis autumn in New York

Transforms the slums into Mayfair

Oh, autumn in New York

You'll need no castles in SpainYes, lovers that bless the dark

Oh, on the benches in Central Park

Greet autumn in New York

It's good to live it againAutumn in New York

That brings the promise of new love

Autumn in New York

Is often mingled with painDreamers with empty hands

They sigh for exotic lands It's autumn in New York It's good to live it again
