

Downtown

Gareth Gates

Is the temperature hot enough for you tonight?
Is it making your dreams suggest things you can't fight?
If you call me one time, two time, any time that you want
Got a certain, sure fire remedy to get you offSo take my hand and rock with me to the sweetest symphony
Your body pleads to feel the way it feels
Just trust me more that any heart you saw
I'll give you all the love you're waiting forNow, baby, if you dance my way downtown
Little skin on skin sure can be found
Maybe you are all alone, can't do it on your own
I'll show you heaven at the speed of sound
Now, baby, if you come on, come on, come on, come on downtown
Come on, come on, come on downtownIs the temperature hot enough for you to play?
Is it making your dreams suggest things you can't say?
If you'd ask me one time, two time, any time that you like
Got the perfect way to alleviate your stress tonightSo take my hand and rock with me to the sweetest symphony
Your body pleads to feel the way it feels
Just trust me more that any heart you saw
I'll give you all the love you're waiting forNow, baby, if you dance my way downtown
Little skin on skin sure can be found
Maybe you are all alone, can't do it on your own
I'll show you heaven at the speed of soundNow, baby, if you dance my way downtown
Little skin on skin sure can be found
Maybe you are all alone, can't do it on your own
I'll show you heaven at the speed of soundSo take my hand and rock with me to the sweetest symphony
Your body pleads to feel the way it feels
Just trust me more that any heart you saw
I'll give you all the love you're waiting forNow, baby, if you dance my way downtown
Little skin on skin sure can be found
Maybe you are all alone, can't do it on your own
I'll show you heaven at the speed of soundNow, baby, if you dance my way downtown
Little skin on skin sure can be found
Maybe you are all alone, can't do it on your own
I'll show you heaven at the speed of sound.
