You'll be fine

Over yesterday stealin hours away

Still I can relate enough to think that you'll be fine

I get it out the way, get it out the way

Nothing else but numbing the pain and still I hope that you'll be fineOver yesterday stealin hours away

Still I can relate enough to think that you'll be fine

I get it out the way, get it out the way

Nothing else but numbing the pain and still I hope that you'll be fine
