

# Do You Right

311

Passin' the kind buds kickin' back in the sand in the sun  
To be alive is lovin' where the shore meets the seaman  
I'm hummin' I'm hummin' I'm free as I stare at the sea and I'm not comin' down  
The world is yours once you have found  
The good is to share which is elsewhere The beauty of green is where light is now broken  
By what it touches remembering what you once  
Had told me hit home and hasn't it always been so I'm free as I stare at the sea and I'm not comin' down  
The world is yours once you have found  
The good is to share which is elsewhere Like I said before I'll say it once more  
Knew you would make me feel so good  
Wanna do you right can't get enough  
This is the stuff life's about and it trips me out  
Gonna do you right I'ma do you right Bright mornings, days when I want so much  
I want nothing, just this life and no more  
I'll come within this world there's only one for me  
She's waiting, I'll soon come I'm free as I stare at the sea and I'm not comin' down  
The world is yours once you have found  
The good is to share which is elsewhere Like I said before I'll say once more  
Knew you would make me feel so good  
Wanna do you right can't get enough  
This is the stuff life's about and it trips me out  
Gonna do you do you do you do you Free from the burn the burn that helps spite and  
Free from the burn now baby dib your price  
No buzz hack, no buzz hack, no buzz hack, no buzz hack  
Swing the thing you bring check it out How could you be so good to me  
How could you be so good to me  
I want to be worth I want to be worth  
Buzz hack hack hack buzz yeah swing to the thing you bring  
Check it out Like I said before I'll say it once more  
Knew you would make me feel so good  
Wanna do you right can't get enough  
This is the stuff life's about and it trips me out  
Gonna do you right I'ma do you right
