Faith No More

They all know me by my car
They all know I'm gone, but not how far
I'm heading straight down 101
I'm going to go and get me some
My lips are movin' but there's no sound
Someday somebody's gonna get run down
Eu não posso dirigir
E agora aparece
Meu dedo enterrado
No meu nariz
My lips are movin' but there's no sound
Someday somebody's gonna get run down
