Don't be shocked by the tone of my voice  
Check out my new weapon, weapon of choice  
Don't be shocked by the tone of my voice  
Check out my new weapon, weapon of choice, yeah  
Listen to the sound of my voice  
You can check it on out, it's the weapon of choice, yeah  
Don't be shocked by the tone of my voice  
It's the new weapon, the weapon of choice  
You can blow with this or you can blow with that  
You can blow with this or you can blow with that  
Or you can blow with this or you can blow with that  
Or you can blow with us  
You can blow with this or you can blow with that  
You can blow with this or you can blow with that  
Or you can blow with

Walk without rhythm, it won't attract the worm  
Walk without rhythm and it won't attract the worm  
Walk without rhythm and it won't attract the worm  
If you walk without rhythm, you never learn, yeah

Don't be shocked by the tone of my voice  
Check out my new weapon, weapon of choice  
Don't be shocked now by the tone of my voice  
Check out my new weapon, weapon of choice

(Can't forget to load it)

Before they catch ya chainsmokin'

(We can't forget to load it)

Before they catch ya chainsmokin'

(We can't forget to load it)

Before they catch ya chainsmokin'

(We can't forget to load it)

Before they catch ya chainsmokin'

You can blow with this or you can blow with that  
You can blow with this or you can blow with that  
Or you can blow with this or you can blow with that

Or you can blow with us

You can blow with this or you can blow with that  
You can blow with this or you can blow with that

Or you can blow with

Organically grown through the hemisphere I roam

To make love to the angels of light, yeah

And my girl, I guess you just don't understand

It's gone beyond bein' a man

As I drift off into the night, I'm in flight

She's a boy scout, no doubt

But I'm gonna hold my cool 'cause the music rules, yeah

So groove on, check it out

Halfway between the gutter and the stars, yeah

Halfway between the gutter and the stars, yeah

You can blow with this or you can blow with that

You can blow with this or you can blow with that

Or you can blow with this or you can blow with that

Or you can blow with us

You can blow with this or you can blow with that

You can blow with this or you can blow with that

Or you can blow with

Break, eject, eject, eject

Break, eject, eject, eject

Break, eject, eject, eject

Eject, eject, eject, eject

'For they catch ya chainsmokin', word

Come before they catch ya chainsmokin', word  
Come before they catch ya chainsmokin', word  
Come before they catch ya chainsmokin', word  
Come before they catch ya chainsmokin', word  
Come before they catch ya chainsmokin', word  
Come before they catch ya chainsmokin', word  
Come before they catch ya chainsmokin', word

Come before they catch ya

(Break, eject, eject, eject)

'For, 'for they catch ya

(Break, eject, eject, eject)

Break, eject, eject, eject

Break, eject, eject, eject
