

Mercy On Me

Reed Deming

Black magic woman
put a spell on my eye
That body moving
girl you got to be mine, all mine

Well I confess
I'm not impressed
with all the rest
tonight
It's only you
It's only you that I like
She makes me beg for more

Oh-Ohh

Baby have mercy on me
Why don't you tell me your name?
They say you're out of my league
But you've been driving me crazy, maybe
Lady I got something you need

Oh-Ohh

Baby have mercy on me

Have mercy on me

I'm right behind her
with my hands on her hips
She's sending signals but
she wants something more from this

Infatuated
captivated

You're my only wish
If only I
If only I could resist
She makes me beg for more

Oh-Ohh

Baby have mercy on me
Why don't you tell me your name?
They say you're out of my league
But you've been driving me crazy, maybe
Lady I got something you need

Oh-Ohh
Baby have mercy on me

I've been thinking
I've been waiting
for something to happen
Cause baby I need, and I want
all of these that you got
And I need, and I beg
baby please

Have mercy on me

She makes me beg for more

Baby have mercy on me
Why don't you tell me your name?
They say you're out of my league
But you've been driving me

crazy, maybe
Lady I got something you need

Oh-Ohh
Baby have mercy on me

Baby have mercy on me
Why don't you tell me your name?
They say you're out of my league
But you've been driving me crazy, maybe
Lately I got something you need

Oh-Ohh
Baby have mercy on me
