The One

Atl

Introducing ATL
I'm the one you done heard all the rumors about
You vibrate like my cellie how you movin' around
In that new gear fresh off the Lesiango runway
Let's go to St. Bart's Sunday to Sunday
Your nails done and them braids all twisted
If you got a flaw, I guess I just missed it
I'm not easy to reach, my digits unlisted
Come closer but don't stain with your lipstick
Been around the world, seen so many girls
But none have moved me quite the way she does
And I've done some things with some ghetto queens
It was just for fun but now I think I'm in love
I can't stop thinking 'bout her, she's everywhere that I go
Does she know I just can't live without her, whoa
She, she's taking over me, I can't control
How she turns me on so much without a single touch
Shorty your the one, your the only girl I need
Only one I want, only girl that's meant for me
Got me open, baby girl let me know if you wanna go
You're a winner so you gotta be choosy
'Cause you can't love everybody
I live my life like a movie
Act like you know somebody
Gonna give you what you need babe
Already told you you're the star of the TV
There's nothing else you need to know
So come on get on board
You're the one I'm diggin' and I guess I'm hoping
That you're catching the same feelings, let me know
'Cause you're my favorite girl in the whole wide world
Yeah you're so fine, I gotta make you mine
Shorty your the one, your the only girl I need
Only one I want, only girl that's meant for me
Got me open, baby girl let me know if you wanna go
Let me say it again
You're the one I'm diggin' and I guess I'm hoping
That you're catching the same feelings, let me know
'Cause you're my favorite girl in the whole wide world

Yeah you're so fine, I gotta make you mine
Like rocky road my chain be all chunky
High School thought that I failed since they flunked me
Now I'm in Double X L it's so funny
High Schools double my sales, I'm gettin' money
(Get your money, money, money)
Like my bunny's pretty with pierced tummy's
Call me pooh bear how I'm baggin' all the honeys
They sick to the point that they noses gettin' runny
Y'all freeze on the Ave., I recline where it's sunny
Can't stop thinking 'bout her, she's everywhere that I go
Does she know I just can't live without her, whoa
She, she's taking over me, I can't control
How she turns me on so much without a single touch
Bring that part back man
You're the one I'm diggin' and I guess I'm hoping
That you're catching the same feelings, let me know
'Cause you're my favorite girl in the whole wide world
Yeah you're so fine, I gotta make you mine
