

# Any Time At All

**Frank Sinatra**

Anytime, anytime you want me  
Honey, just let me know  
When you need affection  
And you're looking for somewhere to go I'll be home, 'round the house  
Just waiting, waiting for your call  
I mean anytime you want me  
Anytime at all Don't be ashamed to let me know you love me  
That's such a silly thing to do  
'Cause anytime, you call me, baby  
I'll come running straight to you I'll be there beside you even if I have to crawl  
Anytime you want me, I'm saying, anytime at all  
(I'll be there beside you even if I have to crawl)  
Anytime you want me, I mean, anytime at all
