

Alena (House Remix)

Claydee

Thinking back to how we started
I can't believe the way we parted
Porque mi amor (why my love)
Porque mi amor (why my love)
Did you have to go?
Stop treating me like I am a stranger
Can't you see my haert's in danger
Porque mi amor (why my love)
Porque mi amor (why my love)
Did you have to go?
La vida sin ti mi amor
Es como los dias sin luz
Y una noche sin tu voz
un camino sin final
le pido a dios por favor
Que siempre nos de salud
Que este fuego de amor
Sea eternoAy dale Alena
Ay dale Alena
Ay dale Alena
Je ne pourrais jamais t'oublier
Ay dale Alena
Ay dale Alena
Ay dale Alena
Je ne pourrais jamais t'oublier
Je ne pourrais jamais t'oublier
Je ne pourrais jamais t'oublier
I think about the words you told me
The night you left me cold and lonely
Porque mi amor (why my love)
Porque mi amor (why my love)
Did you walk away?
You said you couldn't stay much longer
But Girl I thought that we were stronger
Porque mi amor (why my love)
Porque mi amor (why my love)
Did we end this way?La vida sin ti mi amor
Es como los dias sin luz
Y una noche sin tu voz

un camino sin final
le pido a dios por favor
Que siempre nos de salud
Que este fuego de amor
Sea eternoAy dale Alena
