

# Here Is Your Paradise

**Chris de Burgh**

I never knew love could be a silence in the heart  
A moment when the time is still  
And all I've been looking for is right here in my arms  
Just waiting for the chance to begin I never knew love could be the sunlight in your eyes  
On a day that you may not have seen  
And all I've been searching for, well words could never say  
When a touch is more than anything Maybe you will never know how much I love you  
But of this, be sure  
Here is your paradise, here is your book of life  
Where you and I will be forevermore  
Here is your paradise, here is your book of life  
Where you and I will be forevermore And in the dark night, you'll follow the bright light  
And go where the love must go  
And you will wake in the morning to a brand new day  
Take all your worries away
