Jasmine

Jai Paul

Can you hear me jasmine
can you let me in
would you let me over
let me love youJasmineIt's because i see you
is it cause i knew
she got the jasmineJasmine
jasmine uhhI'm gonna simply tell you
what's I'm gonna do gonna do
at least no one can come true
it's where I close the
the when i came from trueJasmine yeah
jasmineGotta go
i must be a
'causeIsn't isn't pull it in
'cause I was wrong
'cause I'm a fool
but I what's her work to do
close to .. you put me through
be my dream come trueJasmine
a world to...
I want you close to my heart
I don't wanna do
just play my game come true
