

# Frustration

## Agnostic Front

What I don't want to ever  
Have to think about again  
What I don't want to ever  
Have to think about again.  
Well I don't want you tell me  
About what I know I gotta do  
Well I don't want you tell me  
About what I know I gotta do.

Well I'm frustrated walking down the street  
You don't know what I'm thinking in my head  
When I'm frustrated walking down the street  
You don't know what I really understand.

Is it something that you gotta say  
Is it something that you gotta do  
Is it something that you want from me.  
Something for you.
