Crawling In The Dark

Hoobastank

I will dedicate and sacrifice my everything
For just a seconds worth of how my story's ending
And I wish, I could know if the directions that I take
And all the choices that I make won't end up all for nothing
Show me what it's for, make me understand it
I've been crawling in the dark looking for the answer
Is there something more than what I've been handed?
I've been crawling in the dark looking for the answer
Help me carry on, assure me it's okay to use my heart
And not my eyes to navigate the darkness
Will the ending be ever coming suddenly?
Will I ever get to see the ending to my story?
Show me what it's for, make me understand it
I've been crawling in the dark looking for the answer
Is there something more than what I've been handed?
I've been crawling in the dark looking for the answer
So when and how will I know? How much further do I have to go?
How much longer until I finally know?
Because I'm looking and I just can't see
What's in front of me, in front of me
Show me what it's for, make me understand it
I've been crawling in the dark looking for the answer
Is there something more than what I've been handed?
I've been crawling in the dark looking for the answer
