

Bolshy

Pet Shop Boys

Raise your voice
Start a feud
Spoiled for Joyce
I hesitate
To intrude Bolshy bolshy bolshy oh
Bolshy bolshy bolshy oh
Bolshy bolshy bolshy oh
Where you lead, my heart will go Get me excited or give me a smile
I'll wait if you say and I'll be worth my while
There you are, pretending you're lonely
I don't believe you, don't know you could own me
Don't know you could own me
You don't know you could own me Bolshy bolshy bolshy oh
Bolshy bolshy bolshy oh
Bolshy bolshy bolshy oh
Where you lead, my heart will go Bolshy bolshy bolshy oh
Bolshy bolshy bolshy oh
Bolshy bolshy bolshy oh
Where you lead, my heart will go Oh
Where you lead, my heart will go There you are
Pretending you're lonely
I don't believe
You don't know you could own me There you are
Pretending you're lonely
I don't believe
You don't know you could own me You don't know you could own me Bolshy bolshy bolshy oh
Bolshy bolshy bolshy oh
Bolshy bolshy bolshy oh
Where you lead, my heart will go Bolshy bolshy bolshy oh
Bolshy bolshy bolshy oh
Bolshy bolshy bolshy oh
Where you lead, my heart will go Bolshy bolshy bolshy oh
Bolshy bolshy bolshy oh
Bolshy bolshy bolshy oh
Where you lead, my heart will go
