Someday

Lyla Foy

Someday someplace
I'll read for you too
Black dog, black dog
Ravened by the moonMemory don't fail me now
Raise a candle to that night
Let a restless head lie still
Give a shore to a hungry tideNearly kneeling
Newly darkened room
Breathing smoke rings
All around you
Gathering silty swim
Dug out of the bayMemory don't fail me now
Raise a candle to that night
Let a restless head lie still
Give a shore to a hungry tide
