

# You've Got Me Crying Again

Dean Martin

You've got me crying crying crying crying crying

You've got me crying again

You've got me sighing again

What is this love all about

I'm in and I'm out

Your kisses right from the start

Came from your lips not your heart

You made me happy and then somebody new looks good to you

You got me crying again just a crying for you

You've got me crying again

You've got me sighing again

What is this love all about

I'm in and I'm out

Your kisses right from the start

Came from your lips not your heart

You make me happy and then somebody new looks good to you

You got me crying again just crying for you
