

Trick me

Al-Fatnujah

Whoao

This is it

Yeah

Whoao

Said, "I've paid my dues for all that I've done"

And I showed you that I loved you more than once

There's nothing left there to decide

Said, "You might trick me once

I won't let you trick me twice"

Freedom to us has always been a trick

Freedom to you has always been who ever landed on your dick

Seen it in you one to many times

Said, "You might trick me once

I won't let you trick me twice, no"

Might trick me once

I won't let you trick me twice

Might trick me once

I won't let you trick me twice, no

Might trick me once

I won't let you trick me twice

No, I won't let you trick me twice

Those days are old and overdone

And it's only 'cause I'm not with you

That you make me number one

Though I may love you, it hurts me deep inside and

Now you no longer have to hide

I used to be down with the late night hit

Started gettin' heavy when I really wasn't ready

Used my past to get in my mind

So I fell for your lies like all the time

I thought you were the shit to be playin' around

Call the police, there's a mad girl in town

Couldn't get even here without a sound

It's not how I wanna get down, yeah

Might trick me once

I won't let you trick me twice

Might trick me once

I won't let you trick me twice, no

Might trick me once

I won't let you trick me twice
No, I won't let you trick me twice
No, I won't let you trick me twice
And I've paid my dues for all that I've done
And I showed you that I loved you more than once
There's nothing left there to decide
Oh, trick me, I won't let you trick me twice
You might trick me once
I won't let me trick you twice
You might trick me once
No, I won't let me trick you twice, no
You might trick me once
No, I won't let me trick you twice
Whoao
Peace
Whoao
Whoao
Whoao
