

Angel's Punishment

Lacuna Coil

Destruction.

War.

To fight in defense

Forgotten words
of friendly hate.

War - destruction

War - destruction

I dont know why.

A soul deceased
a broken hope
a choking breeze.

War - destruction

War - destruction.

Cant you take me away from your lies?

Destruction.

Dark paradise
collecting souls
to analyse

War - destruction

War - destruction.

The bitter blood
of a children's cry
inside the truth
far from my sky.

War - destruction

war - destruction.

Cant you take me away from your lies?
