

# Virus

## Iron Maiden

There's an evil virus that's threatening mankind  
Not state of the art, a serious state of the mind  
The muggers, the back stabbers, the two faced elite  
A menace to society, a social disease Rape of the mind is a social disorder  
The cynics, the apathy one upmanship order Watching beginnings of social decay  
Gloating or sneering at life's disarray  
Eating away at your own self esteem  
Pouncing on every word that you might be saying Rape of the mind is a social disorder  
The cynics, the apathy one upmanship order Superficially smiling a shake of the hand  
As soon as the back is turned, treachery is planned Rape of the mind is a social disorder  
The cynics, the apathy one upmanship order Watching beginnings of social decay  
Gloating or sneering at life's disarray When every good thing's laid to waste  
By all the jealousy and hate  
By all the acid, wit and rapier lies And every time you think you're safe  
And when you go to turn away  
You know they're sharpening all their papers knives All in your mind, all in your head, try to relate it  
All in your mind, all in your head, try to escape it Without a conscience they destroy  
And that's a thing that they enjoy  
They're a sickness that's in all our minds They want to sink the ship and leave  
The way they laugh at you and me  
You know it happens all the time All in your mind, all in your head, try to relate it  
All in your mind, all in your head, try to escape it, yeah The rats in the cellar, you know who you are  
The rats in the cellar, you know who you are  
The rats in the cellar, you know who you are  
The rats in the cellar, you know who you are  
Or do you? Or do you? Or do you? Or do you? Watching beginnings of social decay
