Party Doll

Bryan Ferry

When the world outside of you
Seems to weigh too much for you
Then draw within' yourself
For there is no-one else
Well it's a sin
What I'm sayin'
But it's truthBlack and blue has turned to grey
Real life pictures gone astray
But don't give in
Imagination rules again
It's a sin
What I'm sayin'
But it's the truth
Party doll
Oh how you turn me on
Now the day's for sleepin'
For I'll be leapin' all night long
Party dollWithout you I can't go on
Now the way I'm figurin'
You'll be leda
And I'll be swannIt's a sin
What I'm sayin'
But it's truth
And if our secret love
Is haunting you,
No-one can hold me
Like you used to do
