

# Party Doll

Bryan Ferry

When the world outside of you  
Seems to weigh too much for you  
Then draw within' yourself  
For there is no-one else  
Well it's a sin  
What I'm sayin'  
But it's truth Black and blue has turned to grey  
Real life pictures gone astray  
But don't give in  
Imagination rules again  
It's a sin  
What I'm sayin'  
But it's the truth  
Party doll  
Oh how you turn me on  
Now the day's for sleepin'  
For I'll be leapin' all night long  
Party doll Without you I can't go on  
Now the way I'm figurin'  
You'll be leda  
And I'll be swann It's a sin  
What I'm sayin'  
But it's truth  
And if our secret love  
Is haunting you,  
No-one can hold me  
Like you used to do
