

Drag

Placebo

You're always ahead of the game
 I drag behind
 You never get caught in the rain
 Drenched to the bone every time You're the first one to swim across the Seine
 I lag behind
 You're always ahead of the game
 While I drag behind I drag behind
 I drag behind
 I drag behind
 I drag behind You're always ahead of the pack
 I drag behind
 You possess every trait that I lack
 By coincidence or by design You're the monkey I got on my back
 That tells me to shine
 You're always ahead of the pack
 While I drag behind I drag behind
 I drag behind
 I drag behind
 I drag behind I drag behind
 I drag behind
 I drag behind
 I drag behind You're always ahead of the rest
 When I'm always on time
 You got A's on your algebra tests
 I failed and they kept me behind I just gotta get off my chest
 That I think you're divine
 You're always ahead of the rest
 While I drag behind I drag behind
 I drag behind
 I drag behind
 I drag behind I drag behind
 I drag behind
 I drag behind
 I drag behind
