

Minute by Minute

Michael McDonald

Hey, don't you worry, I've been lied to
I've been here many times before
Girl, don't you worry, I know where I stand
I don't need this love, I don't need your hand
I know I could turn, blink, and you'd be gone
Then I must be prepared any time to carry onBut minute by minute by minute by minute
I keep holding on
Oh, minute by minute by minute by minute
I keep holding onYou will stay just to watch me, darlin'
Will away on lies from you
Can't stop the habit of livin' on the run
I take it all for granted like you're the only oneLivin' on my own
Somehow that sounds nice
You think I'm you fool
Well, you may just be rightBut minute by minute by minute by minute
I keep holding on
Oh, minute by minute by minute by minute
I keep holding onCall my name and I'll be gone
You'll reach out and I won't be there
Just my luck you'll realize
You should spend your life with someone
You could spend your life with someoneBut minute by minute by minute by minute
I keep holding on
Oh, minute by minute by minute by minute
I keep holding on
