

Minute by Minute

Michael McDonald

Hey, don't you worry, I've been lied to
I've been here many times before
Girl, don't you worry, I know where I stand
I don't need this love, I don't need your hand
I know I could turn, blink, and you'd be gone

Then I must be prepared any time to carry onBut minute by minute by minute

I keep holding on

Oh, minute by minute by minute

I keep holding onYou will stay just to watch me, darlin'

Will away on lies from you

Can't stop the habit of livin' on the run

I take it all for granted like you're the only oneLivin' on my own

Somehow that sounds nice

You think I'm you fool

Well, you may just be rightBut minute by minute by minute

I keep holding on

Oh, minute by minute by minute

I keep holding onCall my name and I'll be gone

You'll reach out and I won't be there

Just my luck you'll realize

You should spend your life with someone

You could spend your life with someoneBut minute by minute by minute

I keep holding on

Oh, minute by minute by minute

I keep holding on
