

Other Side of Crazy

Anastacia

You got be screaming like a little bitch
bitch let me tell you who you're messing with
Thought you could sip me like a diet sprite
But you suck a belly full of kryptonite
You know I'm not that kind of girl
Where you've been and what kind of world Crazy, you think you had it crazy
Let me show you crazy
C'mon and meet me on the other side
The other side of crazy
Kiss it, baby you can kiss it
If you think I'm twisted
Well let me show you what its like
The other side of crazy
The other side of crazy So is that the best that you can do?
Well honey you ain't got a freaking clue
So keep on throwing shit against the walls
So keep on wishing for some bigger bigger bigger balls
Well excuse me if you're hearing this?
But I'm going to share one piece of advise Crazy, you think you had it crazy
Let me show you crazy
C'mon and meet me on the other side
The other side of crazy
Kiss it, baby you can kiss it
If you think I'm twisted
Well let me show you what its like - What its like
The other side of crazy - crazy
I said the other side of crazy I can take it super freaky boy
I can make myself a freaky toy
We can kick it in little ripped jeans
And a little white striped
So whatever his name is
Here's something that you're never gonna see
Certified a crazy little thing like me
Like me, like me
A crazy little thing like me Baby give it to me now Crazy, you think you had it crazy
Let me show you crazy
C'mon and meet me on the other side
The other side of crazy
Kiss it, baby you can kiss it

If you think I'm twisted
Well let me show you what its like - what its like
The other side of crazy - crazy
I said the other side of crazy
