

# Long White Dress (Berlin Demo)

Tracey Thorn

Matthew was a wisened-up kid  
He found out everything  
Before the rest of us did  
He said, "I don't think  
That you have to be married" And I don't know why I felt so scared  
I just knew I didn't want to wear  
The long white dress  
Long white dress Jackie was the first to hide  
Kept all of his better feelings inside  
He said, "I know I love you, but  
I can't decide" And tucked away in some back bed  
Like a ghost of something dead  
Long white dress  
Long white dress I know I'm not an independent woman  
So you might say, "Well, really  
What's the difference?"  
Is it all in my head?  
Is it all in my head?  
Is it all in my head? I was a romantic kid  
I found myself a torch  
And a book and I hid  
And nothing ever scared me like  
A wedding did And I filled my head with so much shit  
And I dreamed and I dreamed of it  
Of love and it's opposite Long white dress  
Long white dress  
Long white dress  
Long white dress
