# I.C. One Female

## Black Box Recorder

I.C. one female,
Turn the sirens on,
Just a small domestic situation,
I.C. one female,
Under subservience,
Heading northwards as the crow flies,But I still love you,
I bloody well love you,I.C. one female,
Not making any sense,
Don't think she realizes,
The trouble that she's in,But I still love you,
I bloody well love you,
I still love you,
I bloody well love you,
I still love you,
I bloody well love you to death,I still love you,
I bloody well love you,
I still love you,
I bloody well love you,National hysteria,
The final warning,
She's heading northwards as the crow flies,But I still love you,
I bloody well love you,
I still love you,
I bloody well love you,
I still love you,
I bloody well love you to death,I.C. one female,
I.C. one female,
I.C. one female,
I.C. one female,
