

The Ex (Demo)

Billy Talent

Well, I looked at her face
And then I knew she changed
My heart turned black
And then the sky turned gray
Yeah, my heart turned black
And then the sky turned gray And so I sat in my room
For twenty seven days
No she never called
I had something to say
No she never called
I had something to say Well, I don't know much and I don't know how
Why would she put me through such torture
I would have given my life for her
She was the one that knocked me over
Now I'm alone sitting on the corner Well, I heard she's great
And her new boyfriend's lame
Well, she can go to hell
I'll never be the same
Well, and she can go to hell
I'll never be the same And these open wounds
Will heal with time they say
Yeah, my heart turned black
And then the sky turned gray
Yeah, my heart turned black
And then the sky turned gray Well, I don't know much and I don't know how
Why would she put me through such torture
I would have given my life for her
She was the one that knocked me over
Now I'm alone sitting on the corner Why would she put me through such torture
I would have given my life for her
She was the one that knocked me over
Now I'm alone sitting on the corner Well, I don't know much and I don't know how
Why would she put me through such torture
I would have given my life for her
She was the one that knocked me over
Now I'm alone sitting on the corner Why would she put me through such torture
I would have given my life for her
She was the one that knocked me over

Now I'm alone sitting on the corner
