

Renegades of Funk (The Crystal Method remix)

Rage Against the Machine

No matter how hard you try, you can't stop us now
No matter how hard you try, you can't stop us now We're the renegades of this time and age
This is the time and age of renegades
Renegades of this time and age
This is the time and age of renegades Since the Prehistoric ages and the days of ancient Greece
Right down through the Middle Ages
Planet earth kept going through changes
And then no renaissance came, and times continued to change
Nothing stayed the same, but there were always renegades
Like Chief Sitting Bull, Tom Paine
Dr. Martin Luther King, Malcom X
They were renegades of their time and age
The mighty renegades We're the renegades of funk
We're the renegades of funk
We're the renegades of funk
We're the renegades of funk From a different solar system many many galaxies away
We are the force of another creation
A new musical revelation
And we're on this musical mission to help the others listen
And groove from land to land singin' electronic chants like
Zulu nation Revelations
Destroy all nations
Destroy all nations
Destroy all nations
Destroy all nations
Destroy all nations
Destroy all nations Now renegades are the people with their own philosophies
They change the course of history
Everyday people like you and me
We're the renegades we're the people
With our own philosophies
We change the course of history
Everyday people like you and me C'mon
We're the renegades of funk
We're the renegades of funk
We're the renegades of funk
We're the renegades of funk We're poppin', sockin', rockin' puttin' a side of hip-hop
Because where we're goin' there ain't no stoppin'
Poppin', sockin', puttin' a side of hip-hop

Because where we're goin' there ain't no stoppin'
 Poppin', sockin', rockin' puttin' a side of hip-hop
 'Cause we're poppin', sockin', rockin' puttin' a side of hip-hop
 Poppin', sockin', rockin' puttin' a side of hip-hop We're the renegades of funk
 We're the renegades of funk
 We're the renegades of funk
 We're the renegades of funk We're teachers of the funk
 And not of empty popping
 We're blessed with the force and the sight of electronics
 With the bass, and the treble the horns and our vocals
 'Cause every time I pop into the beat we get fresh There was a time when our music
 Was something called the Big Street beat
 People would gather from all around
 To get down to the big sound
 You had to be a renegade those days
 To take a man to the dance floor Say jam sucker (jam sucker)
 Say jam sucker (jam sucker)
 Say move sucker (move sucker)
 Say groove sucker (move sucker)
 Say dance sucker (dance sucker)
 Say dance sucker (dance sucker)
 Now move sucker (move sucker)
 Now move sucker (move sucker) Say jam sucker (jam sucker)
 Say jam sucker (jam sucker)
 Say move sucker (move sucker)
 Say groove sucker (move sucker)
 Say dance sucker (dance sucker)
 Say dance sucker (dance sucker)
 Now move sucker (move sucker)
 Now move sucker (move sucker) A weh weh weh weh woer
 We're the renegades of funk
 We're the renegades of funk A weh weh weh weh woer
 We're the renegades of funk
 We're the renegades of funk A weh weh weh weh woer
 We're the renegades of funk
 We're the renegades of funk A weh weh weh weh woer
 We're the renegades of funk
 We're the renegades of funk
