Fuel The Hate

Fuel this hate and you'll never be the same again
Now I'm feeling again and again
Fuel this hate and you're living on the edge again
Just like we felt back then
Fuel this hate and you'll never be the same again
When you just don't give a damn
Fuel this hate and you're living on the edge again
I don't give a damn
Thrashing
Raging
Fighting
Screamin'
Thrashing
Raging
Fighting
Fuel the hate
Fuel this hate and you'll never be the same again
Now I'm feeling again and again and again
Fuel this hate and you're living on the edge again
Just like we felt back then
Fuel this hate and you'll never be the same again
When you just don't give a damn
Fuel this hate and I'm living on the edge again
I don't give a damn
Thrashing
Raging
Fighting
Screamin'
Thrashing
Raging
Fighting
Fuel the hate
Sometimes, suicide, genocide, suicide
I don't give a fuck if I live or die
Sometimes, suicide, genocide, suicide
I don't give a fuck if you live or die
Sometimes, crucified, terrorize, crucified
I don't care about this fucked up life

Sometimes, crucified, terrorize, crucified
I don't care about your fucked up life
Sometimes, suicide, genocide, suicide
I don't give a fuck if I live or die
Sometimes, suicide, genocide, suicide
I don't give a fuck if you live or die
Sometimes, agonize, open arms, agonize
Let the world burn tonight
Sometimes, agonize, sacrifice, agonzie
If it's up to me, sacrifice
Fuel this hate and you'll never be the same again
Just like we felt back then
Fuel this hate and you're living on the edge again
Happiness, I don't understand
Fuel this hate and you'll never be the same again
There is no other way
Fuel this hate and I'm living on the edge again
Let them feel the pain
Um, dois, tres, quatro
Past the point of no return
Past the point of no return
Voce mata porque ja nasceu morto
Sangue morto, amaldiscoado
Voce mata porque ja nasceu morto
Sangue morto, amaldiscoado
