

Big

Big Tymers

You know, do it big, nigga
If you don't do nothing, do it big, fuck it
Ain't like your stupid ass gonna live twice
Ball like a dawg, nigga, fuck it
If you doin' it small do it big, ya know what I'm sayin'
Hey Fresh, what's happenin' with you partner
Put it down for a nigga, homie
Big stars, Big cars
Big shows, Big hoes, Big drawers
Big drama with baby mamma
Get her wheels, pay her bills, Big Tymer
Big titties, Big cities
Dike bitches that love eatin' kitties
Big whips with Big clips
Big everything 'round here, Big dicks
Real niggas, Big niggas
Fuck with us man, we kill niggas
Big rocks, cooking pots
Crack in a oven, hustle, don't stop
Big screens, we feens
Fuck it, buy NFL teams
Big pieces, Big caprices
Fuck cousins and even nieces
Big bank, Big rank
A lot of vodka with puffers, Big drink
It's that pimpin'
It's that pimpin' you know, nigga?
Big pimpin' with no sippin'
Hard on hoes, so bitch keep limpin'
Big trucks with Big guts
Chromed pipes, we carry Big nuts
Big shows, car shows
I'll be there in the winter, fo sho
Big seats, Big trucks
Gotta have space for Big nuts
Big love, on dubs
My shit will bang in clubs
Big gut, so what
{She is not a dime bitch}

I don't really give a fuck
This is for all my niggas
We gon' ride uptown on this one
 Big G in a Capri
 Mac in a clip and sittin' on a C
 Big me, Big Seato, Big Elton, Big Tanto
 We runnin' streets
 Big whop, with Big glocks
 Bitch ass fillin', Clarol don't stop
 This week, Big freak
 Can't talk 'cause she got splash in her teeth
 Big rims, Big rubbers
 Big dicks, Big chicks, my lovers
 Big hot, you're not www.bigcock
 Hook it up!
 My nigga [Incomprehensible]
 [Incomprehensible] motherfuckin' nigga
 Big flakes, with Big capes
 Fuck it, fuck a police chase
 I'm Big Tymin'

 Number 1 stunna daddy it's my time
 Big chips with no dips
 I ain't gonna lie the bitch got Big lips
