Long, Long Time

Mindy McCready

Love will abide, take things in stride
Sounds like good advice, but there's no one at my side
And time washes clean, love's wounds unseen
That's what someone told me but I don't know what it means'Cause I've done everything I know
To try and make him mine
And I think I'm gonna love you
For a long, long timeCaught in my fears, blinking back the tears
I can't say you hurt me, when you never let me near
And I never drew, one response from you
All the while you failed all of the girls you never knew'Cause I've done everything I know
To try and make him mine
And I think it's gonna hurt me
For a long, long timeWait for the day, you'll go away
Not that you warned me of the price I'd have to pay
And life's full of loss, who knows the cost
Living in the memory of a love that never was'Cause I've done everything I know
To try and change your mind
And I think I'm gonna miss you
For a long, long timeYes I've done everything I know
To try and make you mine
And I think I'm gonna love you
For a long, long time
