

# Long, Long Time

[Mindy McCready](#)

Love will abide, take things in stride  
Sounds like good advice, but there's no one at my side  
And time washes clean, love's wounds unseen  
That's what someone told me but I don't know what it means 'Cause I've done everything I know  
To try and make him mine  
And I think I'm gonna love you  
For a long, long time Caught in my fears, blinking back the tears  
I can't say you hurt me, when you never let me near  
And I never drew, one response from you  
All the while you failed all of the girls you never knew 'Cause I've done everything I know  
To try and make him mine  
And I think it's gonna hurt me  
For a long, long time Wait for the day, you'll go away  
Not that you warned me of the price I'd have to pay  
And life's full of loss, who knows the cost  
Living in the memory of a love that never was 'Cause I've done everything I know  
To try and change your mind  
And I think I'm gonna miss you  
For a long, long time Yes I've done everything I know  
To try and make you mine  
And I think I'm gonna love you  
For a long, long time
