

Femme Fatale

Lou Reed

Here she comes, you better watch your step
She's going to break your heart in two, it's true
It's not hard to realize
Just look into her false colored eyes
She builds you up to just put you down, what a clown 'Cause everybody knows
(She's a femme fatale)
The things she does to please
(She's a femme fatale)
She's just a little tease
(She's a femme fatale)
See the way she walks
Hear the way she talks You're put down in her book
You're number thirty seven, have a look
She's going to smile to make you frown, what a clown
Little boy, she's from the street
Before you start, you're already beat
She's going to play you for a fool, yes it's true 'Cause everybody knows
(She's a femme fatale)
The things she does to please
(She's a femme fatale)
She's just a little tease
(She's a femme fatale)
See the way she walks
Hear the way she talks
