

# Best of Me

Matt Cab

Baby, yeah, yeah, baby, oh na naShe say you looking for a new man

Girl I'll provide you with a new plan

He can't do you like I can

Girl I'll give you more

Every night will be a new scene

And everyday will be a new dream

Let me show you what I mean

What you waiting for

Cause all the diamonds in the world

Can't match the way you shineI'll give you all the best of me

If you promise you'll be mine

Give you the best of me, the best of me

Give you the best of me, the best of me

Give you the best of me, the best of me

I'll give you the best of me

You say you're looking for an escape

Then let me take you back to my place

We can chill and watch a movie

Or maybe we'll do more

We can do anything you want it's on you

Cause girl I promise to respect you

And you know that I'll treat you

Like the queen I know you are

Cause all the diamonds in the world

Can't match the way you shineI'll give you all the best of me

If you promise you'll be mine

Give you the best of me, the best of me

Give you the best of me, the best of me

Give you the best of me, the best of me

I'll give you the best of me

I know you got a man but I came to get with it

I can be a car she's a Honda Civic

Just give me a chance and you know I'll get it

Get it, get it, get it, get it

He's the pain, I'm the medicine

So just get ready for it

I'll be the one you need

Baby if you with it, let's go down to businessI'll give you all the best of me

If you promise you'll be mine

Give you the best of me, the best of me  
Give you the best of me, the best of me  
Give you the best of me, the best of me  
I'll give you the best of me
