Can't Take This

Orgy

I can't take this
No, I can't take this
No, I can't take this
'Cause this is fucking up my mindI can't take this
No, I can't take this
No, I can't take this
'Cause this is fucking up my mindI can't take this
No, I can't take this
No, I can't take this
'Cause this is fucking up my mindWhat's eating at you now?
I can see right through you
No, I'm not complaining
But you're running out of timeSo what's become of this?
Just frowning faces
No more skeletons hiding, no point in confining
What needs to get outSomething inside of me
Has got me tripping on you
And I can't explain it
Maybe you're just no good for me after allDon't want it
Don't want it
Don't want itI, I can't take this
No, I, I can't fake this
No, I, I can't take this
'Cause this is fucking up my mindAnd I, I can't take this
No, I, I can't fake this
No, I, I can't take this
'Cause this is fucking up my mindNow that I'm reading through the lines
I see through the freaking you
I know with so much rejection
How could I be satisfiedCan you face it?
Not at all
Is it possible that it could be you
Who makes the mistakes?Something inside of me
Has got me tripping on you
And I can't explain it
Maybe you're just no good for me after allI, I can't take this
No, I, I can't fake this
No, I, I can't take this
'Cause this is fucking up my mindAnd I, I can't take this

No, I, I can't fake this
No, I, I can't take this
'Cause this is fucking up my mindWith or without this, I'm alright
And part of me changes every time
Don't you know you're no good for me
Don't you know you're no good for meI don't want it
Don't want it
Don't want itI, I can't take this
No, I, I can't fake this
No, I, I can't take this
'Cause this is fucking up my mindAnd I, I can't take this
No, I, I can't fake this
No, I, I can't take this
'Cause this is fucking up my mindI, I can't take this
No, I, I can't fake this
No, I, I can't take this
'Cause this is fucking up my mind
