

# Dressed Up To Undress

## Breathe Carolina

Uh oh ohUh oh ohUh oh ohUh oh ohUh oh ohUh oh ohCan you keep up? Can you compete?

You tip and you toe to the middle of where we meet (where we meet)

And you're all ears and I'm all eyes

You take the lead and I'll take off my disguise (my disguise)Why you dressing up tonight?

We don't need money to kill the lights.

And why you talking over it?

I don't need words to feel those lips.

And I love how you're up for it.

Anything we want is in our grip

It seems to me that we could be

Dressed up to undress.Uh oh ohUh oh ohUh oh ohUh oh ohUh oh ohUh oh ohYou pick me up, I'll take you  
down

I'll tip and I'll toe to the back of your mind somehow (somehow)

If I confess would you come clean?

You take off the mask and we'll live like royalty (uh oh oh like royalty uh oh oh)(Whoa)Why you dressing up  
tonight?

We don't need money to kill the lights.

And why you talking over it?

I don't need words to feel those lips.

And I love how you're up for it.

Anything we want is in our grip

It seems to me that we could be

Dressed up to undress.How long 'till dawn?

I'm all for taking you onHow long 'till dawn?

I'm all for taking you onWhy you dressing up tonight?

We don't need money to kill the lights.

And why you talking over it?

I don't need words to feel those lips.

And I love how you're up for it.

Anything we want is in our grip

It seems to me that we could be

Dressed up to undress.
