

Garden

Matt Maher

In the cool of the day
You come and meet me
All the blue fades away
The stars are winking Your love's so strong
I can't recall
What was this thing
They called the fall? And You walk with me
You never leave
You're making my heart a garden Oh, why would I hide
Away from Your face
When the light of Your love
Illuminates? Your hand in mine
A steady line
Drawn on my heart
And deep in my mind And You walk with me
You never leave
You're making my heart a garden All the broken are mending
The mournful rejoicing
Seeing through tears
Of peace overflowing And You walk with me
You never leave
You're making my heart a garden Yeah, You walk with me
You never leave
You're making our world a garden
