All I Am

Jess Glynne

Every butterfly I get belongs to you
You don't believe me, but it's true
Sure, the freckles on my arm spell out your name
Real feelings coming through'Cause all I know and all I am is you
Yeah, all I know and all I am is you
I'm breaking my silence
'Cause I've had a few
I just can't deny it
That all I know and all I am is youEvery time I think I'm falling
I know you're falling too
There's no doubt you're all in
If you ever think you're falling
You know I'll catch you too
'Cause all I am is you
Every daydream I have starts and ends with you
I wanna play it one more time
When I need an alibi, you're my perfect excuse
You are always on my side'Cause all I know and all I am is you
I'm breaking my silence
'Cause I've had a few
I just can't deny it
That all I know and all I am is youEvery time I think I'm falling
I know you're falling too
There's no doubt you're all in
If you ever think you're falling
You know I'll catch you too
All I am is you
It feels like I'm miles away
You bring me back home again
You hold me through my mistakes
Let go as we start again
You're a habit I'll never break
No no, no no, noI'm breaking my silence
'Cause I've had a few
I just can't deny it (oh, no)
That all I know and all I am is youEvery time I think I'm falling
I know you're falling too
There's no doubt you're all in
If you ever think you're falling

You know I'll catch you too
All I am, oh
'Cause all I know and all I am is you
Yeah, all I know and all I am is you
'Cause all I know and all I am is you
Yeah, all I know and all I am is you
