Wait On The Lord

Sanctified Blues

Sometimes in life you'll find that
You get in a hurry
But when you have assurance
No need to worry
You can wait, wait, wait on the Lord and you'll see
He always keeps his word
Must, just, trust in Him
Don't be dismayed
Patience in time of trouble,
Trust and believe Him
And everything God promised
you will receive it
If you wait, wait, wait on the Lord
And you'll see that He
He'll always keep His word.
Must, just trust in Him
Don't be dismayed
Trust in the word of God
For His word is true
When did He promise anything in your life
That He would not do.

Trust and depend on Him
He's always on time
Don't be discouraged
If you just believe, you will receive it
If you wait, wait, wait on the Lord

And you'll see He?ll
He will keep his word
Must, just, trust in Him
Don't you be dismayed (2x)
If you wait, wait, wait on the Lord
And you'll see
He will always come through
Must, just, trust in Him
He will keep His word
Vamp
If you wait on Him (2x)

Wait on the Lord (2x)
Don?t be discouraged
Don?t you be dismayed
Hold on to his promises
Wait on the Lord
Be of good courage
And He will strengthen your heart
If you wait on Him
Nobody can do you like Him
He will, he?ll come to you
Wait, wait, wait on God
Wait upon the Lord
He shall renew your strength
I will wait, wait, wait on Him
I?m not going no where...
