

Wait On The Lord

Sanctified Blues

Sometimes in life you'll find that
 You get in a hurry
 But when you have assurance
 No need to worry
You can wait, wait, wait on the Lord and you'll see
 He always keeps his word
 Must, just, trust in Him
 Don't be dismayed
 Patience in time of trouble,
 Trust and believe Him
 And everything God promised
 you will receive it
If you wait, wait, wait on the Lord
 And you'll see that He
 He'll always keep His word.
 Must, just trust in Him
 Don't be dismayed
 Trust in the word of God
 For His word is true
When did He promise anything in your life
 That He would not do.

 Trust and depend on Him
 He's always on time
 Don't be discouraged
If you just believe, you will receive it
 If you wait, wait, wait on the Lord

 And you'll see He'll
 He will keep his word
 Must, just, trust in Him
 Don't you be dismayed (2x)
If you wait, wait, wait on the Lord
 And you'll see
 He will always come through
 Must, just, trust in Him
 He will keep His word
 Vamp
If you wait on Him (2x)

Wait on the Lord (2x)
Don't be discouraged
Don't you be dismayed
Hold on to his promises
Wait on the Lord
Be of good courage
And He will strengthen your heart
If you wait on Him
Nobody can do you like Him
He will, he'll come to you
Wait, wait, wait on God
Wait upon the Lord
He shall renew your strength
I will wait, wait, wait on Him
I'm not going no where...
