New Rose

The Damned

Is she really going out with him? I got a feeling inside of me It's kind of strange like a stormy sea I don't know why, I don't know why I guess these things have got to be gotta new rose, I got her good Guess I knew that I always would I can't stop to mess around I got a brand new rose in townSee the sun see the sun it shines Don't get too close or it'll burn your eyes Don't you run away that way You can come back another dayI got a new rose I got her good Guess I knew that I always would I can't stop to mess around I got a brand new rose in townI never thought this could happen to me Oh this is strange why should it be I don't deserve somebody this great I'd better go or it'll be too lateI got a feeling inside of me It's kind of strange like a stormy sea I don't know why, I don't know why I guess these things have got to be got a new rose I got her good Guess I knew that I always would I can't stop to mess around I got a brand new rose in town
