

Not Into It

Shift K3Y

You're not into it?
I'm not into it,
I already know the game and I've been through it
They can't handle it?
They can't handle it
Try to take me out to dinner, I'll cancel it
(x3)
You're not into it?
I'm not into it,
I already know the game and I've been through it
They can't handle it?
They can't handle it
Even though they know I really ain't into it
You're not into it?
I'm not into it,
I already know the game and I've been through it
They can't handle it?
They can't handle it
Try to take me out to dinner, I'll cancel it
(x3)
You're not into it?
I'm not into it,
I already know the game and I've been through it
They can't handle it?
They can't handle it
Even though they know I really ain't into it
You're not into it?
I'm not into it,
I already know the game and I've been through it
They can't handle it?
They can't handle it
Try to take me out to dinner, I'll cancel it
