No Shelter (NCIS Soundtrack)

Seether

Today
You seem a little far away
I hate that I don't have the words to say:
I'm bored of all the little games you play
A cage is never gonna make me stay.If we don't help ourselves, we'll fall
I find no comfort in this world.I'll never find my way
And I'm broken by...
No shelter for me
I'll never compensate
Just to keep you mine
No shelter for me ?Awake
I need a little comforting
I break
My mind is sick of wandering
I'm yours
I love it when I'm suffering
Too late, I don't believe in anything.If we don't help ourselves, we'll fall
I find no comfort in this world.I'll never find my way
And I'm broken by...
No shelter for me
I'll never compensate
Just to keep you mine
No shelter for me ?There's no shelter here
There's no shelter
No way out of here!!!I'll never find my way
And I'm broken by...
No shelter for me
I'll never compensate
Just to keep you mine
No shelter for me ?I'll never find my way
And I'm broken by...
No shelter for me
I'll never compensate
Just to keep you mine.
