Sunny Day

Sunrise Avenue

Hey, I really need a sunny day
Hey, I need some heat to come my way
Stuck in my room so lonely
And all the fun seems far away
Does anybody hear me scream?

Hey, I really need a sunny day
Hey, I need some heat to come my way
No doors no windows open
Who has the key to let me out?
Does anybody hear me scream right now?

Time to take some action
Time to find some sand and sky
I have a strong gut reaction
I wanna grab all the wind and fly
Time to take some action
I need a sunny day all right

Hey, I really need a sunny day
And I, I, I'd rather shine than fade away
You have to come and get me
I?m stuck inside please let me out
Does anybody hear me scream out loud now?

Time to take some action
Time to find some sand and sky
I have a strong gut reaction
I wanna grab all the wind and fly
Time to take some action
I need a sunny day all right

Does anybody hear me scream?

Time to take some action
Time to find some sand and sky
I have a strong gut reaction
I wanna grab all the wind and fly [Repeat: x 4]
